1. Claims 2-20 (renumbered claims 1-19) are allowed.
2. The following is an examiner's statement of reasons for allowance:

Regarding claims 3, 7-9, and 14, the primary reason for allowance is that the prior art fails to teach or reasonably suggest a color adjustment amount computing means and a color adjustment amount correcting means, wherein the color adjustment amount correction means corrects the color adjustment amount on the basis of addition, subtraction, multiplication, and division of the fixed elemental color elements of each pixel.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
